European Strategy for Data: Pathways for moving towards (Health) Data Spaces

OPEN DEI PRESENTATION

The OPEN DEI proposal aims at leveraging synergies, identifying gaps, sharing best practices, reinforcing regional/national relationships as well as putting in place the necessary joint measures to implement common dissemination, communication, training and exploitation action plans among the Innovation Actions implementing the EU DT strategy.

OPEN DEI is a H2020 CSA (DT-ICT-13-2019 deadline Nov 2018)

Start Date: June 2019

Duration: 36 Months

Consortium: 9 Beneficiaries

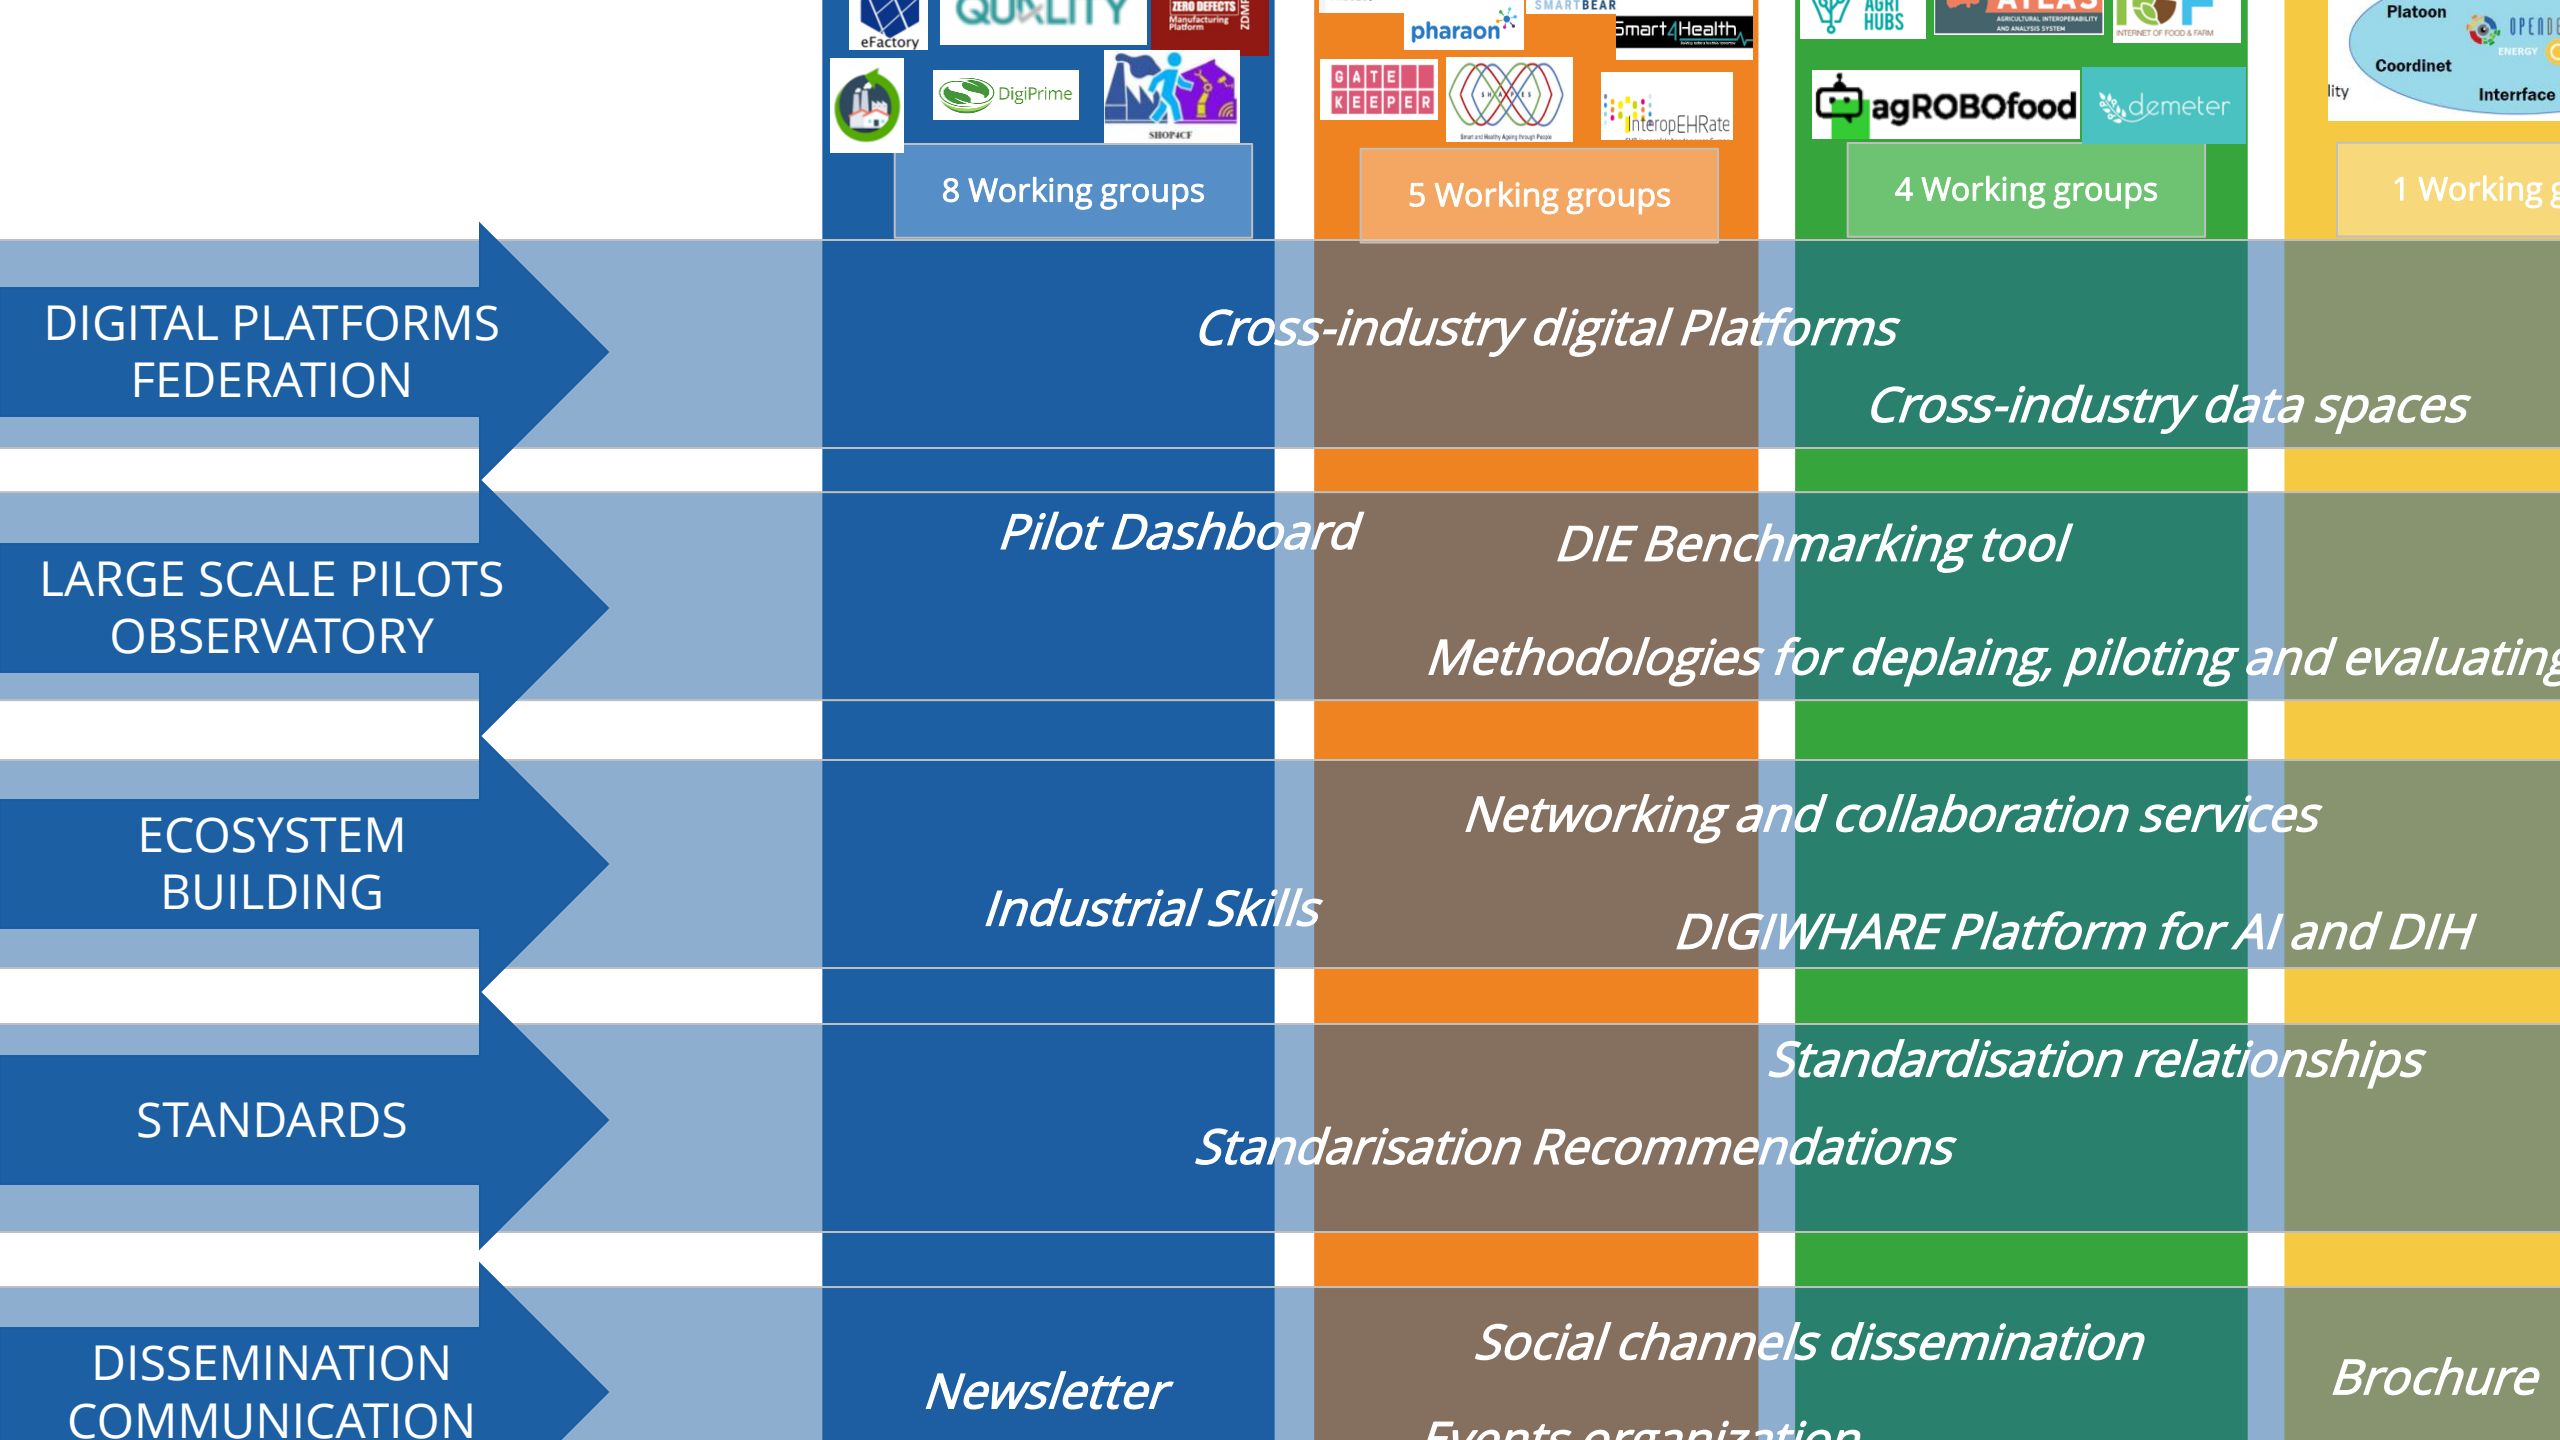

Coordinator IDC – Giorgio Micheletti
